### WINE EXPERTS

---

A unique monovarietal Brut Nature sparkling wine made with organic grapes grown on old vines.

### WINEMAKER'S TASTING NOTES

---

Bright yellow with gold lacing in the glass. Clean, crisp aromas of white stone fruits on the nose, with visibly fine and persistent bubbles. On the palate, dense, well integrated fruits with light citrus and pastry notes. Grippy, bright and crisp on the finish, lending elegance and a velvety mouthfeel.
