WINE EXPERTS

A fresh rosado made from Merlot and Garnacha Peluda, a strain of the Garnacha variety that has lower alcohol and higher acidity. The wine shows a nose of red berries and dry straw, denoting a Mediterranean vintage. It has ripe and expressive flavors. A powerful rosado intended to be enjoyed alongside the finest foods. WINEMAKER'S TASTING NOTES

Displaying a refined nose with hints of aniseed, rose petals and red fruit (pomegranate) aromas. It has a juicy, almost citric mid-palate with notes of grapefruit, flowers and red berries. A really elegant, full-bodied, well-balanced and nuanced wine.
