Vermouth Astobiza

Vermouth

WINEMAKER'S TASTING NOTES

Semi-sweet white vermouth with lemon-yellow color. Very aromatic expressing fresh and intense citrus, intermingled with floral and herbal notes. In the mouth, fresh notes of wine are detectable yet the expressive palate shows an incredible balance in both acidity and bitterness. Flavors of green lemon, orange and grapefruit notes are balanced perfectly with a bouquet of botanicals. Long and very fragrant finish with a pleasant bitter-citric aftertaste.
