

PORTUGAL

WINERY: Gota Wines
Azahar Vinho Verde
GRAPE: Loureiro, Pederna, Blend
WINE EXPERTS

"Vibrant yellow color and hints of gold. A becoming note of maturity is developing in the wine, showing a NV-Champagne-like nose as well as a lager-like, yeasty quality. This is a richer style of Vinho Verde. It has an exotic tinge to it with some attractive oxidation and very nice concentration"
