WINERY: Henry Varnay

Rose Sec NV

GRAPE: Gamay / Cabernet Franc / Grenache / Pinot d'Aunis / Syrah

WINE EXPERTS

Henry Varnay, located in Saumur on the Loire River, produces a remarkable Charmat Method sparkling wine, the Rosé Sec NV. This delightful wine is a blend of Gamay and Cabernet Franc, the two most prominent red grapes of the Loire Valley, and a touch of Grenache, Syrah, and Pineau d'Aunis. Sourced from various Loire Valley vineyards, this sparkling wine is consistent in quality, showcasing bright red fruit flavors with a hint of sweetness that plays off the vibrant acidity of younger vineyards and early picking. Aged in the Tuffeau, Saumur's famous calcareous rock cellars, this wine has a lovely off-dry character, producing approximately 8,000 cases per year. Enjoy this wine with seafood, light pasta dishes, or creamy cheeses for a delightful experience.

WINEMAKER'S TASTING NOTES

The Varnay House looks for consistency from each vintage and achieves a bright red fruit sparkler with a hint of sweetness to play off the vibrant acidity that comes from younger vineyards and early picking. Aged in the famous ready-made wine cellars of Tuffeau, Saumur's local calcareous rock, there are approximately 8,000 cases of this lovely off-dry Rosé Sec NV produced each year.
