WINE EXPERTS

Presenting a wine with a captivating ruby hue, this beauty exudes a gentle aroma, weaving together fresh cranberry, raspberry, and a subtle touch of white pepper. As it dances on the palate, its soft acidity and velvety texture harmoniously blend, revealing mild tannins and a delightful red currant note, while the pepper quality takes center stage, even more pronounced and intriguing. A truly delightful and balanced experience that lingers with grace on the finish.

WINEMAKER'S TASTING NOTES

The wine was fermented long, cold and slow 100% carbonic fermentation with the juice resting with the skins for 40 days. The resulting wine is light, showing juicy red fruits, yet full of structure and complexity. Perfect for a chilled red year round, great with with spicy and richly seasoned foods.
