

# FRANCE

**WINERY:** Matthieu Barret

## Cotes du Rhone Petit Ours

**GRAPE:** Syrah

### WINE EXPERTS

This unusually fresh and vibrant Cotes-du-Rhone is self-confidently all about the freshness of the syrah grape in cool locations. Brimming with wild-blackberry character and a touch of pepper. So juicy that it's hard to believe it has 14% alcohol. Then comes a nice touch of moderately dry tannin at the finish to complete the attractive picture. From organically grown grapes.

### WINEMAKER'S TASTING NOTES

The winemaking process must respect the purity of the unique aroma of the terroirs from which they originate. Our approach to winemaking is focused on producing wines that express delicately and precisely the subtleties of our grapes, with a style oriented towards finesse, freshness, and elegance. In addition to showcasing the strong identity of our grapes, our top priority is to offer pleasure through the tasting of our wines. Drinkability, balance, intensity, and aromatic precision are the fundamental elements that guide our winemaking and aging processes. We offer two distinct ranges of wines, both produced with the same convictions.
