## WINE EXPERTS

---

The wine is appropriately named to reflect its complex, fruity, and meaty character. This is a bold and expressive wine that is sure to impress even the most discerning palate. The unique terroir of this region is on full display in every sip, making for a truly unforgettable tasting experience.

## WINEMAKER'S TASTING NOTES

---

These vines are situated 2 kilometers inland from the Bão Bão river, in a region with a rich volcanic history that shaped the nearby coastal range known as the Cordillera de Nahuelbuta, or "Cougar's Land" in English. The granitic soil in this area adds depth and structure to the wine, while the cool oceanic breezes that flow inland help to retain the grapes' natural acidity.
