A wine that represents the quality of the growers, winemakers, our friends and families. Created to be "village wines" of American culture that we can all afford.

WINEMAKER'S TASTING NOTES

An amazing Cabernet Sauvignon from California that doesn't break the bank. This Cabernet gives a nod to the old-world French style. On the nose you'll find lots of red fruits and cedar. On the palate, the note of cherry pops out with hints of pencil shavings, leather, and nuances of oak. Elegantly balanced with silky smooth tannins. A perfect weekday red!
