WINE EXPERTS

"Redentore" wines are obtained with the philosophy that characterizes the way the winery is operated: organic and biodynamic principles in viticulture, energy produced with solar panels, vegan principles, vinification with indigenous yeasts and no sulphites added.

WINEMAKER'S TASTING NOTES

True to the varietal, this wine shows fresh aromas of exotic and citrus fruits, yet has a richer texture and savory finish. It is refreshingly juicy, yet dry it pairs well as an aperitif and with all types of seafood. Contains NO ADDED SULFITES.
