

ITALY

WINERY: Querce Seconda

Chianti

GRAPE: Sangiovese

WINE EXPERTS

The Chianti DOCG is the estate's basic Sangiovese from their property vines that sit just outside the Classico border, and within the zone of Chianti Montespertoli. They take this opportunity to showcase their pristine grapes in the purest form without the use of any wood for aging. After hand-harvesting the vines, the fruit goes through its natural fermentations and aging only in stainless steel, and is bottled when Niccolò thinks the wine is ready to go to the market.

WINEMAKER'S TASTING NOTES

A resulting exuberance is present in the finished wine, making it a perfect choice for a chilled red. Fresh aromas of bright cherry, purple flower, and wet stone with tannins that offer serious grip to compliment the red fruit that is prominent on the palate.
