## WINE EXPERTS

“Eder” means beautiful in Euskera (Basque language). Our goal is to create wines with classic beauty that show balance, complexity and harmony. Cheers friends!

## WINEMAKER'S TASTING NOTES

This young, and un-oaked Rioja is full of ripe black fruit aromas. In the mouth, notes of red fruits such as strawberries, raspberries, and redcurrants dominate. It is well-balanced beginning with the first sip, has a creamy mid body and finishes with fruity acidity that demands you take another sip!
