

# ARGENTINA

**WINERY:** Jelu

## **JELU PINOT NOIR NEUQUEN**

**GRAPE:** Pinot Noir

### **WINE EXPERTS**

---

This high-elevation glacial valley produces distinctive wines that are bright, lively and truly expressive of both the winemaker's (Duncan Killinger) passion and the San Juan region itself.

### **WINEMAKER'S TASTING NOTES**

---

A hearty, medium-bodied wine with wild raspberries and black cherries on the palate. Rich flavors of black cherry and plum abound with a very smooth finish.
