**WINERY:** Jelu

**JELU MALBEC  
SAN JUAN**

**GRAPE:** Malbec

## WINE EXPERTS

This high-elevation glacial valley produces distinctive wines that are bright, lively and truly expressive of both the winemaker's (Duncan Killinger) passion and the San Juan region itself.

## WINEMAKER'S TASTING NOTES

Blackberry, ripe plum and tart cherry, sweet dark chocolate and vanilla aromatic notes. Silky tannins round out this well-balanced structure with a rich and slightly smokey finish.
