WINE EXPERTS

Loads of dried flowers, such as white rose petals and chamomile tea. Oily and medium-to full-bodied, framing very structured fruit and a solid texture. A burst of acidity on quite a powerful finish gives this form. Drink now.

WINEMAKER'S TASTING NOTES

This clear and bright wine has a deep yellow color with green undertones. Delicate floral notes are highlighted by aromas of lemon, crisp white fruits (pear and green apple) and fresh herbs. Delicate and elegant with a light body, it has a perfectly balanced sense of fresh fruit, citrus and minerality finished with a punch of acidity.
