Albariño Sobre Lías

GRAPE: Albariño

WINE EXPERTS

Attractive, grape-must and sliced-apple character with lemon-blossom undertones. Full body. Very fruity at the finish. Drink now.

-James Suckling

WINEMAKER'S TASTING NOTES

Deep yellow color with brilliant green undertones. Intense white florals, mature stone fruit, green hints of laurel, and grapefruit pith aromas give way to rich minerality. On the palate, the heavy, oily texture, complements oxidized flavors of corn and salted peach. Vibrant acidity, creates a freshness that can only be found in this unique style of Albariño.
