## Melon Aperitif

GRAPE:

### WINE EXPERTS

The Melon Aperitif is Aelred's flagship spirit - the nose is bursting with fresh canteloupe, and the palate is juicy with notes of ripe melon. The distillery works with a perfumery in Cannes to accurately capture fresh melon aroma and flavor, and the resulting liqueur is the perfect spirit for any and all summer cocktails.

### WINEMAKER'S TASTING NOTES

Melon Aperitif is a delightful aperitif born under the Provencal sun! It is crafted using Cavaillon melons, grown in the unique terroir of Provence in the South of France, and harvested at peak ripeness. This fruity aperitif boasts a rich aromatic profile and a low alcohol content of 12%. Best enjoyed well-chilled, over ice, it also serves as an excellent foundation for crafting your favorite cocktails.
