Uco Deus Malbec

GRAPE: Pinot Noir

WINE EXPERTS

Situated in Valle de Uco, Mendoza, at 1,100 meters above sea level, their Malbec shines due to meticulous winemaking methods and aging in concrete eggs for 8 months. The winemaker mission is to nurture and give life to the farm, carrying water through each of its nooks and crannies.

WINEMAKER'S TASTING NOTES

The wine made from Hilario's Malbec grapes show deep purple hue heralds aromas of cherry, blackberry, and blueberry mingled with floral and black pepper spice. Despite its robustness, the wine maintains a balanced, soft, and plush mouthfeel, culminating in a dry, fruit-rich finish.
