WINERY: Stekar

**Malvazija**

GRAPE: Malvazija

## WINE EXPERTS

Certified organic growers since 2006, the Stekar family produces skin fermented wines on a small plot in Goriska Brda. Fermented and aged in wood, this unfinied/unfiltered wine is a pure expression of a local varietal with a soft and delicious approach.

## WINEMAKER'S TASTING NOTES

Intense on the nose, with beautiful fruit aromatics and notes of herbs and acacia flowers. Fresh and vibrant on the palate, while maintaining a round, full-bodied feel. Zippy acid balances the fuller fruit and floral flavors, leading to a balanced, rich and harmonious glass.
