

# FRANCE

**WINERY:** Mauvais Garçon Thunevin

**Red Bordeaux**

**GRAPE:** Merlot

**WINE EXPERTS**

This wine from Washington state truly astounds with its finesse and roundness. Technically flawless, in my humble opinion. Its nose is an elegant and complex journey, starting with the refreshing clarity of terpene and fruity notes (blueberries, blackberries) and then evolving into a captivating blend of spiciness, minerals, and even hints of leather. The palate is a masterpiece of roundness and fantastic acidity, impeccably integrated, offering a fresh and velvety passage that culminates in a long and savory finish. Absolutely fantastic!

**WINEMAKER'S TASTING NOTES**

Crafted with precision, this wine showcases ripe strawberries, blueberries, and mature aromas, all wrapped in a clean, refined nose with subtle smoky hints and a mineral core. Its powerful initial impact gives way to incredibly soft tannins and a light body, making it effortlessly drinkable. A touch of sweetness and a faint bitterness add depth. For the best experience, I suggest opening the bottle at least half an hour before enjoying. This wine embodies approachable charm, uncomplicated yet delightful.
