WINE EXPERTS

“Redentore” wines are obtained with the philosophy that characterizes the way the winery is operated: organic and biodynamic principles in viticulture, energy produced with solar panels, vegan principles, vinification with indigenous yeasts and no sulphites added.

WINEMAKER'S TASTING NOTES

This is an elegantly full bodied and fruity choice. With hints of toasted almonds, bright citrus, freshly-cut green herbal notes and a touch of salinity. Its freshness and minerality present a refreshing change of pace! Contains NO ADDED SULFITES.
