### WINE EXPERTS

---

The wine makers at Poco a Poco, spanish for little by little, fittingly produce wine worthy of their name. The attention to detail and willingness to go the extra mile ensures that Poco a Poco brings the highest quality wine to your table. Poco a Poco's Mendocino county Chardonnay is a perfect example of their commitment to producing only the highest quality of wine. The 20 to 30 year old vines, used in this production of this wine are harvested organically and biodynamically.

### WINEMAKER'S TASTING NOTES

---

This particular wine offers aromas of pomelo, pineapple and honeydew melon with finger lime and freshly baked Croissant flavors on the palate. Aging in neutral barrels adds weight and creaminess without any new oak influence. The palate has good acidity, providing texture and a long clean finish.
