WINERY: Ronsel do Sil

Veluveyra Mencia

GRAPE: Mencia Pinot Noir

WINE EXPERTS

Highly perfumed red berry, cherry, floral pastille and botanical herb aromas carry a smoky mineral topnote. Vibrant raspberry and bitter cherry flavors show sharp delineation and become sweeter with aeration. This wine shows good depth of flavor while remaining fairly light bodied. It finishes long and precise, with resonating floral and spice notes and polished tannins.

Josh Reynolds

WINEMAKER'S TASTING NOTES

Hints of spiced red fruits, tart plums, roses, and minerals are what you will find as dominating aromas. The wine has a smooth, fresh and delicate feel with lasting flavor. there are some prominent notes of violets and crushed pink peppercorns. the wine is surprisingly low alcohol for the full mouth feel and concentration of flavor. This is a must pick for a Spanish wine that is NOT Tempranillo.
