WINERY: Ronsel do Sil

Veluveyra Godello

GRAPE: Godello Pinot Noir

WINE EXPERTS

Light, bright yellow. Ripe pear and white peach on the perfumed nose; floral and ginger nuances emerge as the wine stretches out. Silky and broad in the mouth, showing off the sappy orchard and pit flavors. A refreshingly tangy citrus fruit note adds lift and cut to the long, seamless finish, which leaves a hint of poached pear behind.

Josh Reynolds

WINEMAKER'S TASTING NOTES

This is a young and fresh wine that shows intense and complex aromas of citrus, fruit, floral, and herbs. You will find a waxy and rich entry on the palate, with good acidity and weight. Flavors of white stone fruit (peach, apricot) are persistent and well-balanced. Vel'uveyra, which means "look at the vineyard" in Galician, represents the chromatism of the Godello grape harvest.
