Rain Sauvignon Blanc 2022

GRAPE: Sauvignon Blanc

WINE EXPERTS

Pale, bright yellow. The aromas of lemon, tarragon, pepper and flowers suggest an intense wine. Then dense, nicely concentrated and quite dry, with hints of lemon, crushed stone and licorice. Offers good mid-palate texture and a refreshing finish.

WINEMAKER'S TASTING NOTES

Grapes are sourced from 3 sustainably farmed vineyard plots, each producing fruit with unique characteristics. You will find that this wine has notable tropical aromas such as pineapple and passionfruit, aromatics of boxwood and straw, and a bold stone fruit character.
