WINE EXPERTS

“Redentore” wines are obtained with the philosophy that characterizes the way the winery is operated: organic and biodynamic principles in viticulture, energy produced with solar panels, vegan principles, vinification with indigenous yeasts and no sulphites added.

WINEMAKER'S TASTING NOTES

A vibrant ruby color, and aromas that show hints of blackberry and sandalwood and flavors of melted dark chocolate, licorice, and rich dark fruits. This wine is dry and full-bodied on the palate, with soft tannins and a long-lasting finish. Contains NO ADDED SULFITES.
