

SPAIN

WINERY: Remírez de Ganuza

Blanco Reserva 2012

GRAPE: Viura, Malvasía, Garnacha Blanca

EXPERT NOTES

Fernando Remírez de Ganuza, the founder of this winery, specifically selected plots with the best grapes and in the best conditions to produce high-quality wines. Grapes are sourced from a plot in San Vicente de la Sonsierra with distinctive chalky soil that provides enough acidity to craft a wine, aged in new French Oak, intended to stand the test of time.

WINEMAKER'S TASTING NOTES

This rich white Rioja still shows plenty of fresh citrus notes complimented by sweet spice hints of nutmeg and lightly toasted sunflower seeds. This combination gives way to incredible complexity with a lengthy finish.
