EXPERT NOTES

Best New Wines from Spain (Sep 2011) Bright straw. Lemongrass, lime, quince and mint on the high-pitched nose. Dry and refreshingly tart, with impressive clarity to its citrus and green apple flavors. Dusty mineral and spice notes add cut and bite to the long, nervy, precise finish. This is absurdly easy to drink.

WINEMAKER'S TASTING NOTES

A truly unique, dry wine with natural effervescence. You can expect to find fresh and intense aromas of citrus fruits, green apple, bright acidity, and delicate salinity. Txakolí is a lively, and exciting style of wine that begs to be enjoyed as an aperitif or paired alongside seafood entrees.
