### WINE EXPERTS

---

Spain's most popular sparkling wine shows a more youthful dimension of fresh fruit, compared to a French Champagne. Very well-balanced and easy to drink alongside a casual meal.

### WINEMAKER'S TASTING NOTES

---

A young and fresh Cava that is perfect for any occasion. Aromas of wild berries and delicate dried floral aromas are present. Flavors of strawberry, cherry, cassis are accented by a lightly toasted nuttiness. An all occasion sparkling wine, this is zippy, bright and fresh with midsize bubbles that rise quickly and form the perfect crown at the top of your glass.
