

# SLOVENIA

WINERY: Stekar

**Sivi Pinot**

GRAPE: Sivi Pinot

## WINE EXPERTS

This is like a light red, more than anything else, with peaches, strawberries and lemons on the nose and palate. Full body, fresh acidity and a crisp finish. Light phenolic tension makes this interesting. Made from organic grapes.

-James Suckling

## WINEMAKER'S TASTING NOTES

Intense and aromatic, with flavors and aromas of dried and ripe fruits, spicy notes, and an undertone of fresh minerality. Deep and grippy, with well-integrated acidity. Fresh and vivacious while maintaining its depth and elegance.
