

CHILE

WINERY: Viu Manent

Tiny Tials “Tinto de Mar”

GRAPE: Cinsault

WINE EXPERTS

Our “Tiny Trials” are the result of exploring the most unique and radical spots, with soils and climatic influences that determine the style of the wine. Small batch and careful vinifications, highlight the grape variety and origin. You'll love how these old, Cinsault vines have adapted to the sandy granite soils (with just a bit of clay and lots of quartz) of the region, influenced by the closeness of the sea.

-Patricio Celedon (Winemaker)

WINEMAKER'S TASTING NOTES

Intense, lively red color. The nose is perfumed with fresh aromas of strawberry and cherry, accompanied by an elegant note of pink peppercorn that links to a floral finish. The palate is fresh and lively with smooth tannins that lend a saline-mineral sensation and a long, pleasing finish. Drink now.
