WINE EXPERTS

Twill Cellars is a small Oregon wine project presenting the influence of land, weather and craft in a vinous assembly. Organic farming practices are used in the fields and low intervention in the winery. All of their wines are sourced from estate grown fruit, to ensure the highest quality.

WINEMAKER'S TASTING NOTES

Saturated and savory aromatics of blood orange, pressed cranberries and fresh rose petal. The aromatics are densely knitted together and precise. With time the red fruits continue to unfold into layers of raspberry accented with warming spice. This is crunchy, juicy and thoroughly layered.
