### WINE EXPERTS

Twill Cellars is a small Oregon wine project presenting the influence of land, weather and craft in a vinous assembly. Organic farming practices are used in the fields and low intervention in the winery. All of their wines are sourced from estate grown fruit, to ensure the highest quality.

### WINEMAKER'S TASTING NOTES

The most red fruited Pinot from this producer's collection. Loads of cranberry and strawberry-like notes. Deep, effusive aromatics of red fruits and crushed spice with savory and flowing aromatics. As the wine continues to open, notes of perfectly ripe strawberries, rhubarb, steeped cherries, ripe raspberries, dried rose petal and loam are revealed. This is bright and persistent with good density and lustrous flavors of ripe red fruits and spice.
