GAÑETA TXAKOLINA ROSE

GRAPE: Hondarrabi Beltza

WINE EXPERTS

Overlooking the Atlantic coast of northern Spain (Pais Vasco), the indigenous grape species of this wine grow on pergolas. Using sustainable farming, this Txakolí is produced in the classic style of the Getariako region – slightly effervescent, briny, incredibly dry and lively.

WINEMAKER'S TASTING NOTES

A dry wine with light pink color with crisp garden notes of Bell Pepper on the nose and watermelon juice on the finish. A squeeze of lime, with some sea spray. Bright, dry, clean and fresh fizz to excite any summer festivities. She'll make you Dance!
