

SPAIN

WINERY: Ziaboga

ARABAKO TXAKOLINA ZURI

GRAPE: Hondarrabi zuri

WINE EXPERTS

Straw yellow color with green hues. High aromatic intensity which shows the incredible micro-climate of Menagarai single vineyard. Fruity aromas of pear, green apple and peaches combine great minerality. Fresh entrance to the palate, but a medium bodied white. The sensation on your palate is a perfect balance between fruit and acidity, with a long-lasting mineral finish. A wine that allures you to enjoy a second glass!

- Estebe Salgado

WINEMAKER'S TASTING NOTES

Remoting back to the traditions of wine-making of the Ayala Valley, whose origins were first accounted in old manuscripts dated in the year 864 A.C. A combination between Atlantic and Continental influence creates a unique micro-climate providing more hours of sunshine and fewer storms. MENAGARAI single vineyard's south orientation and its clay and limestone terroir highlights the character of our grape varietal Hondarrabi Zuri. The 20+ year old vines are now ripening to the fullest, producing a very high-quality yield to create Ziaboga Txakoli Zuri.
