

# SPAIN

WINERY: **Ziaboga**

**ARABAKO TXAKOLINA ZURI**

GRAPE: **Hondarrabi zuri**

## WINE EXPERTS

Txakolina, a white wine from Spain's Basque Country, is a sommelier's favorite for its searing acidity. This Ziaboga rendition is softer, allowing the citrus flavors to mellow and shine while still showing lots of backbone. It's a fine partner for grazing appetizers before dinner or for lighter seafood dishes. ABV: 12.5 percent. BW: 440 grams (Light).

## WINEMAKER'S TASTING NOTES

Medium bodied Txakoli with a silky texture and no fizz, unlike the style from Getariako. Perfect for more elegant service or during cooler months. True to the varietal there is bright acidity, crisp green apple notes and lively brine on the finish.
